

Certified Weed Free

Stable Mix™

FEEDING DIRECTIONS:

Feed **1-1/2 to 2 lbs** of feed per 100 lbs of the horse's body weight each day. Feed more or less depending on the horse's activity level and body condition. Horses must have access to plenty of fresh, clean water at all times except when tired and hot. Store feed in a cool, dry place.

DO NOT feed moldy or insect infested feed

GUARANTEED ANALYSIS:

Crude Protein	Minimum	9.0%
